11. New Business / A.O.B. (any other business):

There was 3 hr power outage at Edgewood and what the health and safety say of it? WorkSafe said it's not a concern unless past 6 hrs or if on well water i.e. Nukko Lake school.

Members start with site health and safety committee i.e. Needing better emergency lights when power goes out, or better flashlights.

Union will ask WCB about what is consider proper lighting and bring to labour man and check with firehall.

Q: add more Siva classes?

A: in discussion with and suggest CPI, as find it more beneficial, and adding a second day of on boarding for new staff to do SIVA, that way it opens up spaces for others.

Q: work with EA3's and my CPI run out, do I still need to do it?

A: it says all EAs, Youth Care worker and IEW, but will check HR. but if yes in the classroom with children who have safety plans, then yes, you need it, even if members don't work directly with student.

Q: getting any where with afterschool care and told a parent to email our super intendent.

A: if there is a parent voice, have them email super intendent. Parents are a great place to start and really advocate for it, there is funding for it and Naimo has done a fantastic job running it. Don't think there's been any movement though.

Q: what happening with our bargaining?

A: right now, waiting for reply from employer, Tammy sent out an email, 3, and no response and Andrea doesn't want to start till September.
