Voting is open for the Pacific Blue Cross board

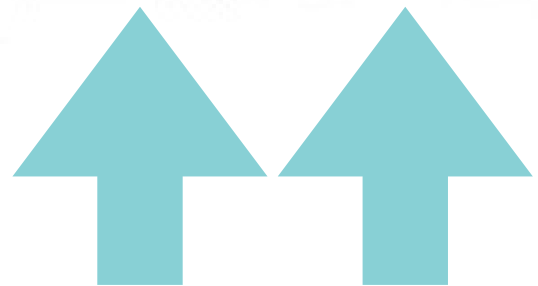

If you are part of a Pacific Blue Cross benefits plan, you are eligible to vote in the PBC board of directors election.

This election matters. Pacific Blue Cross is B.C.'s only not-for-profit health benefits provider, and the decisions made by its board affect the coverage and services that many union members and their families rely on.

CUPE BC and CUPE 1816, which represents Pacific Blue Cross workers, have endorsed the following candidates:

- **Jaime Matten**
Executive Director, Health Sciences Association of BC
- **Martin (Marty) Gibbons**
Past President, United Steelworkers Local 1-417
- **Jocelyn (Joey) Hartman**
Past President, Vancouver & District Labour Council

These candidates are committed to protecting affordable, high-quality benefits and ensuring Pacific Blue Cross remains focused on the needs of working people.
