

## MEETING NOTICE-

### Pre- Ratification for Local Bargaining

Your Voice. Your Vote. Your Future.

Join us as we review proposals for the local table. This is your chance to, ask questions, and understand what's on the table.

Don't miss it — informed members build strong unions.

**This is *not* a ratification vote.** Provincial bargaining continues. These are the proposals the local bargaining committee will be taking to the employer upon the conclusion of provincial bargaining.
